NEW MARBLE NAIL ART LAC

FRACTURE NAIL POLISH IN WHITE
 Fracture effect nail polish in white color. You can create an antique and marble effect on your nails with our new Marble Nail Art polish. A more solid effect can be achieved when used on a lighter base color, and a smoother result can be obtained on a darker base color.

Usage:
 Apply it to the cured base color in one layer. If you use a thin one then you will get a grainy, denser result but if you apply a thicker layer then larger pieces will remain of the material. A soft buffering and two layers of top and your creature will last for three weeks. It dries to air in one-two minutes.

Tip: You can make the drying time faster with the help of the lamp's fan.
